History		**The Impact of World War 2 on the people of Britain** Extending their chronological knowledge beyond 1066, children learn about how World War II changed British society. They discover the different reasons why Britain went to war in 1939 and investigate the experiences of families during the Blitz. Using a range of sources which are new to them including video and photographs, children reconstruct the feelings of those living on the home front in World War II and consider how migrants		**What did the Greeks ever do for us?** Through investigating the city states of Athens and Sparta, children identify the similarities and differences between them. Using different sources of evidence, they learn about democracy and compare this to the ways in which other civilisations are governed. Considering the legacy of the ancient Greeks, children learn about the Olympic games, architecture, art and theatre.		**Who should appear on the £10?** Investigating why historical figures are on banknotes and learning about the criteria for historical significance. Children participate in a tennis rally debate and create a video to explain why a particular historical figure was significant, before selecting a historical figure for the £10 note.

		helped the war effort.
