As the weather is becoming warmer, we kindly ask that you ensure sun cream is applied to your child before they come to school each day. Please also send children in with sunhats and water bottles.

The school does have a supply of sun cream and staff will reapply it throughout the day as needed. The brand we use is Nivea SPF 50 with a UVA rating of 4 stars.

If you do not wish for your child to have sun cream reapplied whilst at school, please inform the school office.

A reminder to all parents and carers that if your child is NOT attending Twilight Club on a day they are normally expected, please inform the school. You can do this by contacting the school office via phone or email, or by calling the Twilight Club directly on **07731 567383**. This helps us ensure all children are accounted for and supports the safe running of the club.

### **Important notes for year groups:**

#### **Year 1**

Year one children have their phonics screening check week beginning Monday 8th June. Please ensure your child attends school this week and let the class teachers know if they are not going to be in.

#### **Year 6**

Year 6 swimming sessions start on Monday. Please ensure you are sending your children into school with their swimming kits and towels.
