

Year One Science Knowledge Organiser

Seasonal Changes

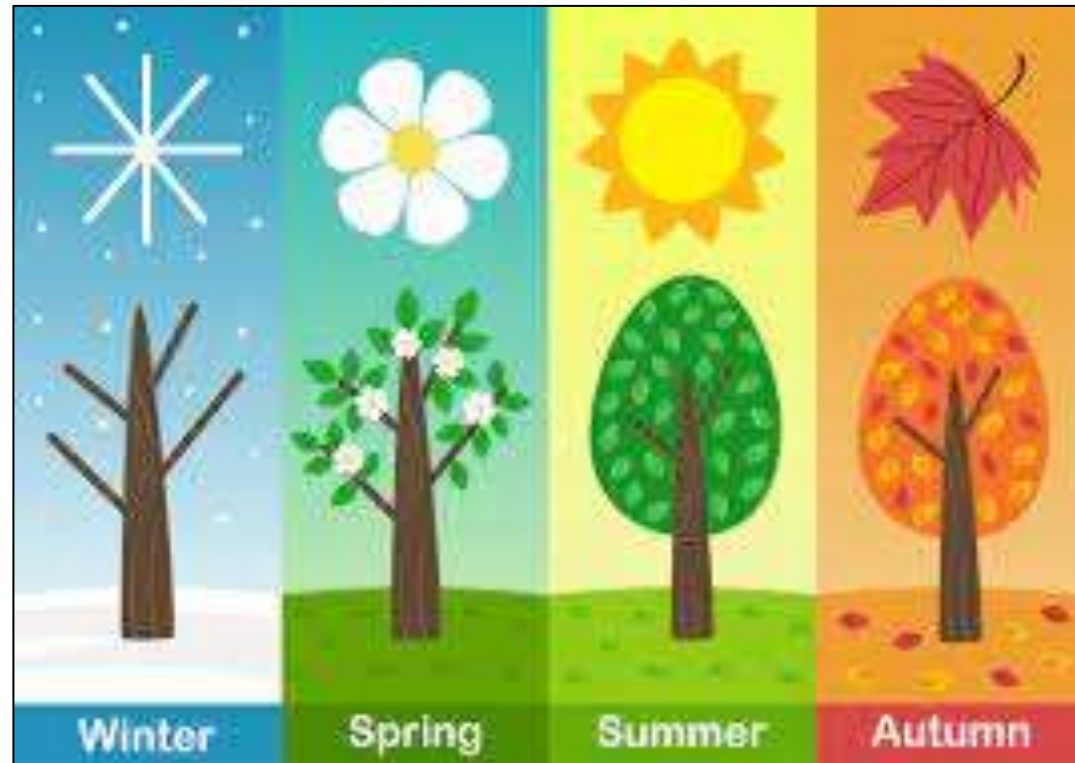

Key Vocabulary

seasons
weather
temperature
deciduous
evergreen
plant

What I will know by the end of the unit

By the end of this unit I will:

- know the names of the four seasons
- have observed and be able to describe weather changes in the seasons
- observed and be able to say how daytime length varies with the seasons

Deciduous

Evergreen

Investigate!

Look for different animals in your local area. Draw them and label to say which animal group they belong to.
