

# Year One Science Knowledge Organiser

## Everyday Materials

### Key Vocabulary

material  
property  
wood  
metal  
glass  
plastic

### Materials

### Investigate!

What is a natural material? What is a manmade material?

Can you find out which materials are natural and which are man-made?

### Properties

bumpy

shiny

hard

squashy

soft

strong

fluffy

bendy

opaque

rough

transparent

smooth

### What I will know by the end of the unit:

I need to know what different objects are made from.

I need to be able to name different everyday materials such as wood and begin to describe the simple properties of the materials, e.g. hard, soft.
