

Year One Science Knowledge Organiser

Animals including Humans

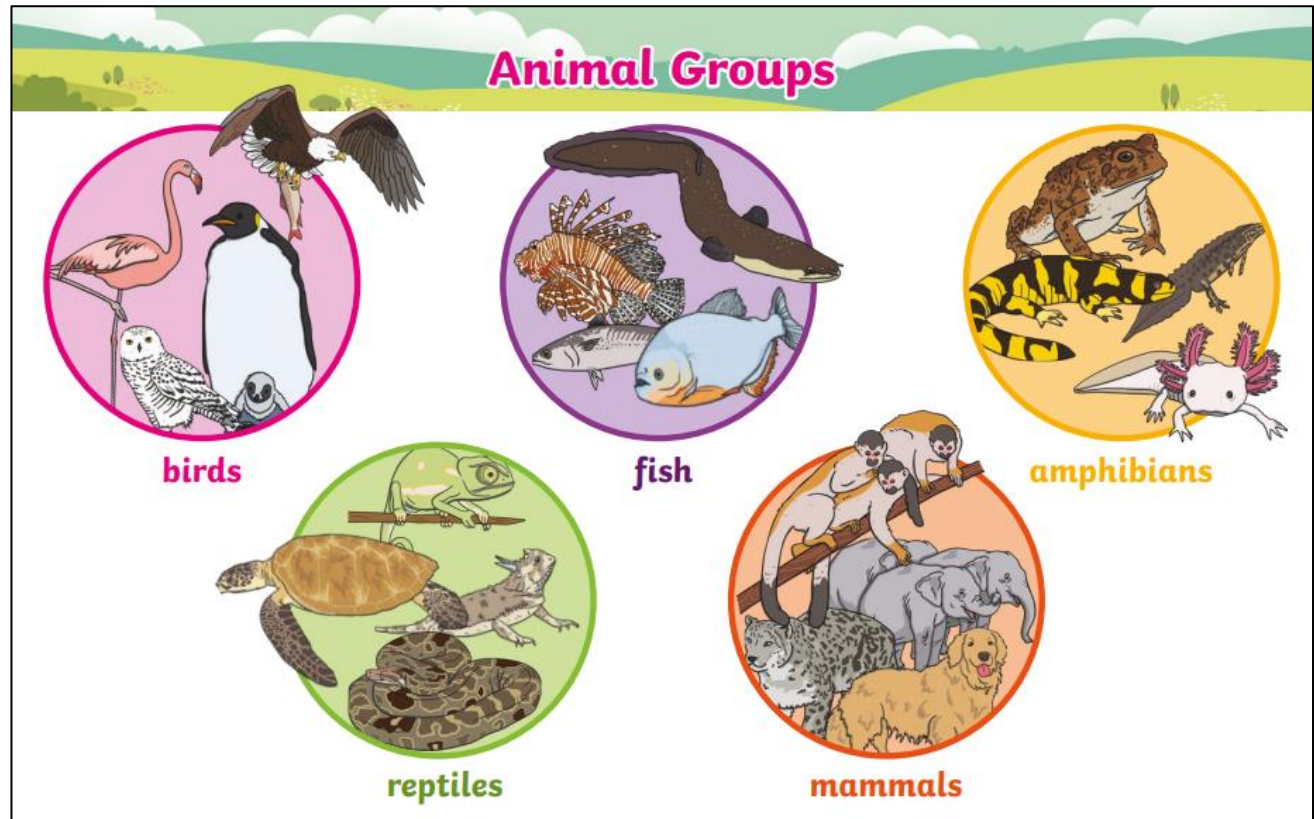

Key Vocabulary

amphibian
bird
fish
human
reptile
five senses

What I will know by the end of the unit

By the end of this unit I will:

- know the names of different animals and different animal groups
- be able to name the five senses
- know about and be able to name different parts of the human body
- sort different animals into animal groups

Investigate!

Look for different animals in your local area. Draw them and label to say which animal group they belong to.
