Any additional comments (page 1):

- This school has always been a huge help to both of my children, they acted fast so that my eldest child was assessed for ADHD before he started secondary school. I have a lot of respect for all the teachers at Eastover and Miss Darby.
- Best to school to my child
- The school is fantastic! My daughter absolutely loves it and has developed so much since she started. Mrs Irish and Miss Ashton have been fantastic teachers. Mr Irish's sports camps have been brilliant and the team at breakfast club are amazing. Office staff have always been incredibly helpful. You are all doing an amazing Job!!!
- I find the school staff - from Receptionists to Teachers, Learning Support Assistants to even the cleaners - endlessly helpful, considerate and polite - always smiling and happy to lend a hand with anything - I LOVE this school and cannot fault it 
- I feel at times that the school does not cater well for full time working parents. Often meetings are held during the school day or just as school ends at 3:15. Because of this reason I am often unable to attend the start of year meetings for parents. As a teacher myself I can not take the time off for this sort of meeting but would attend if it was later in the evening.

Any additional comments (page 2):

- Its the best school in the area and the main reason I wont relocate
- Excellent
- It would be lovely if the school had a communication app for all parents
- Have to give more rooms to extra curricular activities, especially sports. Is there but need more sessions
- School meal serve cold need to be warm enough kids doesn't like cold food
- May the children always be cheerful and happy with their friends.
- Best school I've ever sent my kids to
- I am so impressed with my child's teachers Ms hoppins, Ms Lane and Ms sykes- My child speaks very highly of them and I have always received very good communications from them. Any concerns or problems I am raised have been quickly responded to and follow up communications to check the resolutions or answers have helped are greatly appreciated. Thankyou Butterflies class teachers!!
- Both of my children attend Eastover. I have full confidence with the school and I'm pleased with the progress they are both making. They go to school happily and they are simply thriving.

Any additional comments (page 3):

- The school is not well organised at all and it's getting worse. Luckily this is our last year at Eastover.
- School senco is brilliant
- Irresponsible and dangerous parking outside the school needs to be dealt with as parents ignore emails that are sent out to them.
